The CNR Shops

Learning Goals
1. Students will describe how trains changed transportation, communication, work, and community growth. 2. Students will identify different roles of railway workers and explain how they used tools, signals, and teamwork. 3. Students will compare travel before and after railway connections in Stratford and Perth County. 4. Students will interpret simple railway signals, symbols, or artifacts to understand how railway systems operated. 5. Students will discuss benefits and challenges connected to railway development in local communities.
