Toymakers and Shakers

Learning Goals
1. Students will compare toys, tools, and handmade objects from the past with objects used today. 2. Students will explore how people used available materials to create useful or meaningful objects. 3. Students will use materials and simple techniques to design and make a sock teddy or sock monster. 4. Students will examine artifacts to infer what they were made from, how they were used, and what they reveal about people's lives. 5. Students will recognize resourcefulness, creativity, reuse, and problem-solving as important parts of making and daily life.
