Woolly Big Skills

Learning Goals
1. Students will describe where wool comes from and how it can be changed into yarn or textiles. 2. Students will explore how carding, spinning, and weaving help turn raw materials into useful objects. 3. Students will compare handmade textile production with modern or mechanized production. 4. Students will use textile tools and materials to practice hands-on making skills. 5. Students will recognize how people in the past used available resources to meet every day needs such as clothing, warmth, and household goods.
